

Captivate 9 Essentials

Captivate

About The Course

During this 2 day course, participants will learn Adobe Captivate 9 skills needed to create interactive eLearning content. With step-by-step learning, you will be able to create eLearning lessons from scratch. When you finish the course, you'll know how to control the mouse pointer and add such standard objects as text captions, images, and highlight boxes. You'll be able to record, import and edit audio, and further enhance the learner experience by adding interactivity via click boxes, buttons, text entry boxes and import PowerPoint into Captivate.

Duration: 2 days

Class size: 10 students max

Times: 9:00am - 5:00pm

Price: Refer to our website for current course and package pricing

After the course?

Each student will receive:

- Certificate of completion
- Training manual
- 12 months FREE email support
- FREE class re-sit (if necessary)

Who Should Do This Course?

This course is designed for Adobe Captivate 9 users who want to create interactive, engaging training simulations and scenario-based training with tutorials and quizzes, or capture and communicate knowledge visually.

Prerequisites

There are no pre-requisites for attending this course; however participants are expected to have a general understanding of personal computers and the Windows operating system.

Content

Unit 1: Exploring Captivate
